

2002 CONFERENCE SITE
by Linda Lee, Site Selection Chair

With the conclusion of the 1999 Miami "Blast on the Beach" conference, we now look ahead and begin the process of selecting a site to host the 2002 conference. Most of you know that the 2000 conference will be held in Spokane, west of the Mississippi, and 2001 will be in Cleveland, east of the Mississippi. Traditionally, we rotate conference sites each year from east to west of the Mississippi; hence, the 2002 conference will be hosted by a court west of the Mississippi.

Where will we be in 2002? If your court is interested in hosting the 2002 conference, please complete the form below, and return it to the address indicated. In order to meet our deadlines, we would appreciate your response as soon as possible, but no later than October 31, 1999.

Planning a conference is certainly not an easy task, and it doesn't happen overnight. We guarantee that, if your court is selected to host the 2002 conference, it will be an exciting and rewarding experience. We look forward to hearing from you.

Yes, our court is interested in hosting the 2002 annual FCCA Conference.
